EDUCATION

- Delft University of Technology, Delft, Netherlands - Computer Science and Engineering, September 2021 - Present
- "Mihai Viteazul" National College, Bucharest, Romania - Mathematics and Computer Science, 2017 - 2021

EXPERIENCE

REMOTE SOFTWARE DEVELOPER, KEBA, BUCHAREST, ROMANIA - SEPTEMBER 2021 - PRESENT

- Created a Single Page Application using Angular, as well as use Electron to run it as a Desktop Application.

SOFTWARE DEVELOPER INTERN, KEBA, BUCHAREST, ROMANIA – JULY 2020 - MAY 2021

- Remodelled the legacy Web Application available on the Keba Charging Station.
- Built a mobile application for both IOS and Android platforms, using Xamarin.
- Developed a Charging Station REST API, using Php and the Lumen framework.

PROJECTS

"SFANTUL SAVA" HOSPITAL, BUCHAREST, ROMANIA - MAY 2021 - JULY 2021

- Assembled a local application for managing the patients' data.
- Created a private Database to keep the digital records.
- Constructed a REST API to help with the search of the ICD-10 (International Classification of Diseases) codes.

MUNOB TEAM, BUCHAREST, ROMANIA - APRIL 2020 - JUNE 2020

- Collaborated with 6 high school colleagues, with the aim of creating an online platform where people could read and write articles about topics like politics and philosophy.

CONTESTS AND EXTRACURRICULAR ACTIVITIES

ACSL - AMERICAN COMPUTER SCIENCE LEAGUE – NEW JERSEY, 2019

- Having qualified to the international stage, I met students from all over the globe, share ideas and discover different mindsets, as well as how to properly colaborate with teammates under time pressure.

MUNOB - MODEL UNITED NATIONS OF BUCHAREST - MAY 2019

- As part of the security council, I have had the chance to debate with very well prepared international students, on political topics like "Finding Viable Solutions for the Trade War between the USA and China".

RIMUN - ROME INTERNATIONAL MODEL UNITED NATIONS - MARCH 2019

- Being my first international conference, it taught me how to adapt to multicultural environments, as well as sharpened my public speaking abilities.
